

## ARLINGTON STORES TO BENEFIT FROM NEW R. R. POLICY

**Boston & Maine Railroad to Establish Pick-up and Store-door Delivery of Less-than-Carload Freight Between Towns and Cities on May 16—Arlington Truckmen To Be Engaged for Work—Service To Be Overnight Between Communities**

Arlington stores will benefit in getting better freight transportation service for their merchandise, according to an announcement made by the Boston & Maine railroad yesterday.

Effective May 16, it will establish pick-up and store-door delivery of less-than-carload freight between fifty New England cities and towns located on its lines. This is the first such service to be established by any eastern railroad.

Frankly a move to meet highway motor truck competition, the announcement of President E. S. French states the revolutionary innovation is "in greater part the result of statements of many shippers and receivers now using outside trucking interests that 'what the railroads must give us, to regain lost traffic, is door-to-door pick-up and delivery service.'"

Between most points the new pick-up and delivery service will be furnished, with no addition to

the rail rate which now applies between the freight stations in the communities selected for starting the experiment.

The pick-up and delivery service will be performed by local truckmen in each city and town. In this manner, the railroad's announcement states, the Boston and Maine seeks to regain its own less-than-carload freight traffic, and at the same time assist each community by helping local truckmen who also are being hard pressed by outside competition.

The communities selected for the start of the experiment are larger places along the Boston and Maine lines in New Hampshire, Massachusetts, and Maine. If there is demand for an extension of the service to other places, the railroad's plan is to extend from time to time, it is stated. The new service is being formed under the direction of J. R. Hagan, Assistant Freight Traffic Manager.

## NAMES OF PROMINENT ARLINGTON MEN APPEAR ON SHOW'S PROGRAM

Much interest has been awakened in the all-male show "Dream of a Clown" which is to be presented April 22-23 in Arlington Town Hall.

The names of the ballet girls were announced today and proved to be none other than Messrs. Charles Hardy, Joseph McCann, Frank Walker, Chief D. B. Tierney, Hollis Gott and Frank Wenderlich. They will doubtless make a great hit costumed in dainty little ballet dresses singing and dancing to the tune of "I'm a Little Prairie Flower."

Those flirtatious fappers Dr. Ernest Fisher, Edward Brewer, Raymond Stearns, and Irving Poole, flirting with the many gentlemen in the bald headed row will be a riot. Albert Warderly who impersonates Miss Tartor, a Coy little flapper with blonde curls, promises to be one of the bets of the show. When you see him vamping Ernest Hazeltine, Jr. as a lonesome young dandy, you will be forced to admit that our young men can do almost anything.

Also worth noting will be Arthur Sampson as Aunt Mabel Henderson, singing "The Last Rose of Summer" in a high falsetto voice.

These are only a few of the many handsome "actors" and charming "actresses" to take part in the most screamingly funny affair ever produced here.

## Funeral Rites Of Aged Man Are Held Today

The funeral of Joseph Zeman, 83-year-old resident of Arlington who died at his home, 34 Williams street last Tuesday, was held from his late home this morning at 8 o'clock. A high mass of requiem was celebrated in St. James' Church at 9 o'clock.

Mr. Zeman was ill but three months. He and his wife celebrated their 61st wedding anniversary last January. They were natives of Bohemia and came to Boston sixteen years ago. They were married in a German Church in South Boston in 1871 and lived in South Boston for twenty years before coming to this town to make their home. He was in the tailoring business thirty years.

Before he retired 23 years ago, Mr. Zeman was for many years connected with the clothing house of Macallan Parker Company, Boston. He leaves his wife, Josephine, three daughters, Mrs. Frederick H. (Mary G.) Miller and Mrs. Elizabeth Leahy, of Arlington, and Mrs. Josephine Blanchard, of Somerville, and two sons, Francis and Joseph Zeman, both of Charlotte, N. C.

## Much Interest In Boys' Week Is Reported

The National Boys' Week Committee for the United States has announced that the demand for literature and information concerning the 1932 observance of Boys' Week has surpassed that of all previous years. "We take this as an indication," says S. Kendrick Guernsey, Secretary of the Committee, "that many communities are observing April 30 to May 7 as Boys' Week that had not previously recognized the event. The only explanation we are able to offer is that prevailing economic conditions have had a tendency to make people community conscious. Adults are realizing that it is necessary to devote more time to the training of youth if the world is to be saved from constant repetition of conditions such as it has recently experienced."

The observance of Boys' Week is not new; originated in 1920 by the Rotary Club of New York City, the movement has experienced a steady growth in popularity until at the present time Boys' Week is celebrated as an annual event in practically every country of the world. The annual programs are developed by a national committee of which Walter W. Head, President of the Boy Scouts of America and past president of the American Bankers Association, is chairman, and of which almost a hundred men, prominent in religious, educational, or industrial life, are members. Headquarters for the committee have been established at 211 West Wacker Drive, Chicago, and from this point literature and suggestions are distributed gratis to all parts of the world.

April 30 to May 7 has been designated for the 1932 observance of Boys' Week and the program announced by the committee is as follows:

Boys' Loyalty Day, Saturday, April 30  
Boys' Day in Churches, Sunday, May 1  
Boys' Day in Industry, Monday, May 2  
Boys' Day in Schools, Tuesday, May 3  
Boys' Day in Entertainment and Athletics, Wednesday, May 4  
Boys' Health Day and Evening at Home, Thursday, May 5  
Boys' Day in Citizenship, Friday, May 6  
Boys' Day Out-of-Doors, Saturday, May 7

## Prison Fire From the Air

Nine convicts were injured and approximately \$200,000 worth of damage was caused by this fire which swept through the South Carolina Penitentiary near Columbia. The fire is said to have originated in the furniture factory and spread to other buildings when a gasoline tank exploded, scattering its blazing contents. This picture was made from the air at the height of the conflagration. Left rear are the cell blocks where all prisoners, not assisting in fighting the blaze, were confined.

## Hub Dispensary Doing Fine Work

One often hears the theory that only the very poor and the very rich receive adequate medical treatment. This is true in a large measure, but in recent years facilities have developed which make it possible for that large part of the population in between the poor and the well-to-do, to secure medical care at a cost proportionate to their incomes. Boston was a pioneer in providing such a medical opportunity, for the United States was established at the Boston Dispensary and has been operating ever since to meet the medical needs of this portion of our population. Last year, over 44,000 visits were made to the clinics by people who took advantage of this opportunity to receive medical treatment on a strictly cost basis, including the payment of the doctor. The clinics are held in the evening from 6:00 to 8:30, so there is no loss of time nor wages to the worker. The first visit is made by appointment only, on Monday and Friday evenings and each patient is given a complete physical examination, with routine laboratory examinations of blood and urine, before being referred to any of the special clinics.

The Dispensary is, of course, still adhering to its policy of not admitting patients to the evening pay clinics who can afford to pay the private practitioner's office fees. But many people whose wages have been greatly reduced during the past year, are of course now eligible to come to the evening clinics. Applicants for admission are interviewed by an admitting officer, who tries to form a complete picture of the patient and his home environment and to secure a correct statement of his occupational and financial conditions—because eligibility to the evening pay clinic is determined by a consideration of all these factors.

## Radio Comedy Opens In Hub Next Monday

Joseph Stanley is featured in a new radio comedy "Coast to Coast" which comes to the Wilbur Theatre, Boston, on Monday night, April 18th for one week only, with the usual Wednesday and Saturday matinees. Mr. Stanley has not been seen in Boston since he played the Wilbur Theatre about three years ago in "Just Fancy." Featured with Mr. Stanley is Jacqueline Logan, famous motion picture star.

"Coast to Coast" was written by Herbert Polesie, a well-known radio performer and continuity writer.

There have been plays about radio before, but it is believed none has approached either the timeliness, the authenticity, or the humor of this first play of Mr. Polesie's. Mr. Polesie, until now has expended his writing efforts toward radio continuity, many well-known hours having been his creation, and including "UNGUENTINE," "PROSTILLA," "EUGENE," "HENRY AND GEORGE," "QUAKER STATE OIL." Mr. Polesie played a role in many of these.

He is therefore, well qualified to write of broadcasting. Mr. Polesie has created a character, "Buddy Baxter," which is played by Mr. Stanley which will rival in popularity, it is believed, many of the popular air heroes, and one which is ideally suited to the talents of the versatile actor who will play it.

## Arlington Visiting Nurses' Annual Drive Receiving Generous Support—One Hundred Dollar Contributions Largest Ever Received in Annual Drive—Rain Slows Up Campaign At Start But \$5,000 Goal Will Be Reached By Saturday—Official Canvassers To Cover Town

The Arlington Visiting Nurses' Association has received three contributions of one hundred dollars each in addition to scores of other contributions since its drive for funds started last Monday, it was revealed by Mrs. William A. Muller, of 233 Massachusetts avenue, last night. Mrs. Muller is a member of the special committee in charge of the annual membership drive. The others are Mrs. Robert W. Murphy and Mrs. John G. Brackett.

Despite a poor start on account of inclement weather last Monday and Tuesday, the canvass is going along smoothly and the response has been generous thus far. With only three more days remaining, before the week is over, the Association anticipates that the \$5,000 goal will be reached by Saturday evening when every canvasser will have made a report of contributions collected.

The three gifts of one hundred dollars are noteworthy since this is the first year that contributions

of this size have been made during the annual drive. Because of the fact that these three contributors realized that door-to-door contributions might be somewhat reduced this year on account of general business conditions, the one hundred dollar gifts were made. The names of the three donors were withheld by Mrs. Muller who expressed herself as highly pleased with the general response thus far in the campaign to raise funds for this needy cause. She emphasized that contributions of whatever size are acceptable.

The Arlington Visiting Nurses' Association of which Mrs. Roger Homer is president, is doing considerable good work among Arlington people and especially among needy families, and it is only by the support of the public during this week's drive that the association can meet its obligations the coming year.

# Miss Ruth Zim To Make Debut As Actress

Miss Ruth Zim, daughter of Mr. and Mrs. Jesse G. Zim of 10 Woodland avenue, Medford, will make her professional debut as an actress at the Somerville theatre, on Monday evening, April 18, in "Death Takes a Holiday." She will support Walter Grease, Broadway star, and guest artist, at the theatre, who is playing the role made famous by Philip Merivale in this outstanding success.

Miss Zim is a graduate of Medford high school, class of 1930, and was the Patriots' Day orator that year. She was a pupil of Dorothy Berry Carpenter, well known play reader and teacher of dramatic art.

In local amateur circles Miss Zim has taken the leading parts in "Daddy Longlegs," the 1930 senior class play; "Elizabethton," the Rainbow DeMolay production; and "Greater Love," given by the Dramatic Players of the Synchronizers of Grace church. She was coached in these plays by Leslie R. Carey of Medford high school and Mrs. Cora Ferguson of Medford.

Miss Zim has chosen an old family name for the stage, and will be known as Marvyn Cordell. She recently refused a two-month contract with a group in Charleston, West Virginia, to play there for the remainder of the season. She has been secretary to Leon E. Davis, principal of the Lincoln Junior High school for two years. Her ability and charm, her beauty and youth, promise a brilliant career.

Her mother, Ruth Brett Zim, is known to concert lovers as a soloist and dramatic entertainer. She is prominent in club and social life in Medford, and is president of the Mystic Parent Teacher association.

# Federation of Women's Church Societies Meets At St. John's Church

The Medford Federation of Women's Church Societies held its April meeting at St. John's Methodist Church at 2:30. Mrs. Isabelle Linnell, president of the Ladies Aid Society of the hostess church, opened the meeting with a gracious word of welcome. Mrs. G. M. Allen, president of the Federation, presided during the business session. Mrs. Allen informed the Assembly that the Women's Society of the Shilo Baptist Church had joined the Federation and now the women's society of every Protestant church in Medford is a member, or affiliated with the Federation, the object of which is to deepen the spiritual life of the women of our churches, to broaden the Christian vision and to encourage unity of purpose.

A definite stand in favor of the Prohibition Amendment was taken and leaflets were distributed which contained very encouraging information by the Rt. Rev. James E. Cassidy on this subject.

The Scripture passage for the afternoon was read by Mrs. Ada Norcott, and Mrs. W. F. Selfridge led in prayer.

The music for the afternoon was furnished by Mrs. Wm. Greger and Mrs. E. A. Griffin who sang beautifully several selections accompanied on the piano by Miss May Johnson.

Mrs. F. H. Dole, chairman for the afternoon, presented the speaker Rev. Dwight J. Bradley of Newton Center. His subject was "The Church and Social Reconstruction." He said there were four phases to consider: "First, the cause of drink, many people are willing to see civilization go to pieces because of it. Second, war, we must support the Kellogg Peace Pact. Third, Democracy, which is failing because of a lack of enthusiasm of those who believe in an organization of people, each home of whom of his own free will, gives the best that is in him in service to his country. Fourth, Industrial Democracy, private ownership must eventually give way to sharing. People ought not to stand for being cheated, squelched, or put upon, by magnates. Great movements are sweeping even now to maintain Industrial Democracy."

Mr. Bradley said he did not wish to be considered Communist or Socialistic in his viewpoints, but that he was, perhaps, radical in the fact that he felt so deeply the present needs of our great world. He finished his address by saying, "Our weapon for fighting evil is love. People with hate in their hearts cannot be Christian. Christ won His marvelous victory, by seeming defeat, the Cross."

After Mr. Bradley's address tea was served by a committee of ladies of the hostess church. Mrs. J. Fitzpatrick, chairman, and Mesdames Vlass, Reid, Trahey and Bailey.

The Junior Christian Endeavor of the West Medford Baptist church won the banner for the highest percentage of attendance at the Junior Rally for Sagamore C. E. Union held at the Woburn Congregational church on Sunday afternoon.

The society of the Winches-ter Baptist church won the shield for second place.

Judson Smith of the West Medford Baptist society presided. The North Street Congregational at Junior Endeavor presented a dramatization of "The Good Samaritan."

Rev. Eugene Dinsmore Dolloff of Medford presented the Banner and shield and pronounced the benediction.

Cardinal O'Connell has joined with other religious leaders in the State in an appeal urging the United States to take leadership in the mutual reduction of armaments. It was announced by the Women's International League for Peace and Freedom. In addition to Cardinal O'Connell, other signers of the disarmament manifesto include Bishop K. Sherrill and Rabbi Harry Levi.

# St. Clement's High Nine Opens With St. Mary's Of Brookline

Blue and Gold's Arch Rival To Appear On Trum Field, Somerville, Tomorrow Afternoon—Bill Fitzgerald and Eddie Powers Will Be Starting Battery For Medford Nine—Lazewick and Desmond Shifted To Outfield—Game Starts at 3:30

The St. Clement's High nine will open its Catholic league schedule of 16 games tomorrow afternoon, opposing its arch rival, St. Mary's High of Brookline, on Trum Field in Somerville, starting at 3:30 o'clock.

St. Clement's conducts all practice workouts on Tufts Park in South Medford but will play its eight home games in Trum Field where spectators may be accommodated with seats.

With plenty of veteran material on hand St. Clement's looks forward to a successful season and the boys are entertaining title aspirations. Coach Steve Kobolinski has had the squad out in the open only a bit over a week because of the cold weather but all seem to be in good condition and raring for the lid-lifter.

Fitzgerald To Pitch

After a practice game yesterday afternoon Coach Kobolinski announced his starting lineup. It will be Tom Ronayne, 2b; Geo. Reach, 3b; Mike Zagami, rf; Al Lazewick, cf; Eddie Powers, lf; Jim Ronan, ss; Giffie Desmond, if; Phil Heffernan, lb; and Bill Fitzgerald, p. Jerry Kinsella, last fall's football captain, and Joe Grande will be the first substitutes to get into action.

Lazewick and Desmond are both hurlers, either of whom may relieve Captain Fitzgerald should the latter experience any lapse of control or be pounded roughly. Both are inserted into the starting lineup as outfielders because of their hitting ability. Powers, husky halfback who was instrumental in the scoring of a 20-0 victory over St. Mary's last Thanksgiving Day, was a pitcher in the 1931 season but has filled in the big gap behind the plate and is doing a sweet job.

Cousins Around Second

The keystone combination is formed of cousins who happen to spell their names slightly different, although both are pronounced almost the same. Jim Ronan, the short stop, is handy with the stick and although not spectacular does a nice little job as a fielder.

John "Kewpie" Kilroy, former Boston College grid ace who is coaching the Brookline aggregation, will not give out any starting lineup until a few minutes prior to game time. Kilroy has a group of some 20 hustlers on hand, most of whom rate on even terms. The battle for regular assignments has been so interesting and close and the boys are so eager to play that he has made his decision to withhold the starting lineup until Friday afternoon.

Both coaches are praying for warmer weather, thinking especially of their pitchers who will labor under difficulties if present conditions prevail.

Miss Mildred Talcott, Miss Evelyn Lawson, Mrs. Fyfe and Mrs. Creelman.

Campbell Folk School in North Carolina. Miss Chase told about her work with the mountain people and how much good is being done through the school for them. Mrs. Campbell the director of the school, is a sister of Mrs. Richard B. Coolidge. Miss Chase illustrated her talk with samples of handwoven bags, hand carved lappis, etc., made by members of the school. Refreshments were served by the hostesses.

Miss Mildred Talcott, Miss Evelyn Lawson, Mrs. Fyfe and Mrs. Creelman.

**Youdkofsky Is New Manager**

Harris "Harry" Youdkofsky has been appointed manager of the Medford High track team for the outdoor season which will begin soon. The appointment was made by Faculty Manager Kendall upon the suggestion of Coach Eddie Pidgeon. Usually the assistant manager of the previous year takes the position but last year's assistant was not available.

Youdkofsky is an ambitious youngster who has been a member of the team for two seasons. He can't be any more than 4-10 or 4-11 in heights, and that may be a trifle higher than he really is. He weighs about 120 pounds.

Because of his lack of height and weight Harry has found it quite difficult to cope with the other lads on the squad and has not made enough points in competition to earn his "M". Because he has been so interested in the activities Coach Pidgeon immediately recommended him to fill the vacant position.

Harry is now playing a dual role, that of manager and trainer. Because of the condition of the athletic treasury the regular trainer, Jack Dwyer, was dismissed temporarily. Harry is out on the field every afternoon lugging around the little medicine bag and giving the boys their daily rubdown. He also manages to get in a lap or two himself to keep in condition.

**Catholic Baseball League Strong**

That Catholic High school league, including nine schools in the Greater Boston district, is certainly making rapid progress. Competition is held in football, basketball and baseball but in the latter sport the interest is pitched highest.

In football the teams are quite small and cannot be matched with others in the same vicinity, Medford, Malden, Somerville and the rest. In basketball the schools are not fortunate enough in having suitable gyms for games. Some hire junior high gyms but the majority use their own school halls with makeshift baskets and several posts around the court making things difficult for the players.

Baseball is played out in God's open and there are no hindering structures to cut in. The competition in the diamond sport is of the best and year after year the championship usually remains undecided until the final set of games are played.

In the season which starts on Friday afternoon, a schedule of 16 games is mapped out for each team, as many and in most cases more than the public schools arrange.

The Medford entry, St. Clement's High which finished in the cellar position in the 1931 season, looks forward to better results in the coming campaign with several veterans on hand as a nucleus for a winning combination.

**Two Hard Luck Teams**

Two St. Joseph's teams were eliminated from the Boston Boys' Club tournament by heartbreaking scores. Last week in the second round of trials the Midgets were nosed out 22-21 by the Somerville Midgets. Pizip Cervone, clever little center for the Saints who was running wild and had scored 13 points, twisted his ankle in the last two minutes of play, being forced from the lineup. St. Joseph's was ahead at the time and the enemy capitalized on the one break to win after Cervone had left the game.

On Monday night the Juniors were toppled by the same count by the Newton Dwarfs in one of the most interesting contests of the entire tournament.

# Lakesides Lose First Half Lead And Meet Defeat Before Company E

Tufts College Boys Living In Medford Outscored Despite Several Baskets by Johnny Grinnell—Bobby Winn and Manus Kane Lead Attack For Winners—Captain Colclough Back in Company E Lineup—Lakesides Lead at Halftime, 12-11

The Lakesides, comprising Tufts College boys living in Medford, were set back by an ever alert Company E five on the Armory floor last evening, 36-30. The game was fast throughout with the losers showing the way a greater part of the contest. In the preliminary game the Company E seconds nosed out the Medford "Maniacs" by 18-17.

The main game, which will probably be the last one of a long season for the soldiers, was hard fought and interesting all the way. Johnny Grinnell, St. Clement's C. C. and Tufts Freshman ace, made things hot for the Armory boys and scored 16 points to attain high honors for the evening. The defensive work of Dick Cochran was brilliant but two young gentlemen in the person of Bobby Winn and Manus Kane, the long and short of the winning outfit, provided the necessary victory margin.

Winn scored an even dozen points to turn in a good evening's work. Kane registered ten. Captain Will Colclough, making his first appearance in the lineup for two weeks, tallied eight points and the high scoring Wankie Bercecz was held to a pair of baskets. The Lakesides failed to convert one from the foul line while the victors turned in but two points from that section of the court.

The Lakesides led at the finish of the first period, 6-4, and at halftime, 12-11. Company E spurred in the third period to take command 28-18 at the next rest period and held its margin throughout the final period.

Late in the final period with the score at 36-22 the Lakesides staged a rally but time cut short their big dreams after baskets by Art Cochran, Johnny, Jake Yagyan and Art Cochran again had increased the count to 30 points.

# Officers of Company E Make Merry At Middleton

By Sergt. E. V. LeBlanc

The officers and non-comm. officers of E Co. made merry at Middleton Arms on Tuesday evening. The dinner party, which was staged, was given through the captain, and besides the non-comm. Lieuts. Carew, Laughlin and Gaffey and Pvt. Maher, were present. The outstanding feature of the party, was the presentation to each non-comm. of an initial billfold. This was quite a surprise and when the captain got through shooting the works, First Sergt. DeFina in behalf of the other non-comm. thanked the C. O. for the gifts, and pledged the boys to carry on as they have on the past, if not better. Captain Lenox in presenting the gifts congratulated the boys on their fine work and expressed gratitude at the fine manner in which they were cooperating with the officers.

Let's get in a few shots at the assembly.

The boys feasted their eyes on a colored replica, of King Alfonso, lately of Spain. This particular Alfonso was the custodian of the house banjo, and his only flaw was the absence of a monacle.

Marty Carew is still on a rampage for mushrooms. We noticed that he had two additional orders, one of which was a double.

This man Reardon has a flare for French fries. The only feature which marred the tranquility of the evening was a slight controversy over a visibility problem. Yet the men did not seem to be bothered before the evening was over it was being served at every table.

## This State Now Going Ahead In Big Legion Race

It rained all night the day I left. The weather it was dry. The sun so hot I froze to death. Susannah, don't you cry.

—On the Oregon Trail.  
The American Legion department of Massachusetts is forging ahead in the national membership race along the Oregon Trail, having passed the 75 per cent of its 1932 quota which is the starting point (Independence, Mo.) and progressing toward Portland, Ore., or 100 per cent. Each advance in percentage of quota attained sends the covered wagon and ox team of this state that much further along the trail. Its percentage in the March 18 tabulation at National Headquarters is 76.72.

It truly is a race for gold, as in the days of old, because there are three sets of cash prizes to be awarded to the winners.  
The departments having a 1931 membership of 35,000 to 50,000 have a chance for a first prize of \$75. To win it must be the first of its class to reach Portland, or 100 per cent of its 1932 membership quota. The second department to arrive will be awarded \$50.

Similar cash prizes will be awarded to departments having a 1931 membership of from 10,000 to 35,000; and similar cash prizes to the class of departments having 1931 membership under 10,000.

The American Legion Auxiliary also is taking part in the race, and with the national organization of the Legion has a stake of \$100, the Legion agreeing it must arrive at least a month ahead of the Auxiliary with at least 10 per cent in excess of percentage of quota as compared with the Auxiliary percentage.

## Dean Of City Clerks Buried In Forestdale

Tribute to the memory of City Clerk Leverett D. Holden of Malden was paid Tuesday by the closing of City Hall for the afternoon. Funeral services were conducted in First Baptist church.

The body, lying in state in the church for two hours, beginning at 10 a. m., was viewed by many friends. Representatives of various city departments attended the service.

Mayer Hastings and members of the City Council were honorary bearers. Members of Malden Post, A. L., of which Mr. Holden was an honorary member, were active bearers.  
Rev. W. Quay Roselle, pastor of the church, officiated. During the service flags on all city buildings were at half-staff.  
Hiram G. Berry Post, G. A. R.; Malden-Lodge of Elks; Middlesex Lodge, I. O. O. F.; and Converse Lodge of Masons were represented by delegations. The American Legion ritual was performed.

Mrs. W. S. Stanley, Mrs. Geo. B. Whiting, both of West Medford, and other members of the Probonata club were entertained at a tea given for the club by the board of managers of the House of the Good Samaritan on Thursday afternoon at the hospital at 23 Blinney street, Roxbury.

Miss Louise M. Coleman, superintendent, Mrs. J. Lewis Stackpole of 292 Beacon street, Boston, and other members of the board took the club members through the hospital and the Jackson Research Building which has recently been opened as a center for intensive research in rheumatic heart disease.

The Probonata club, of which Mrs. H. Gardner Dunham of Melrose Highlands is president, works actively throughout the year for the House of the Good Samaritan. The members are keenly interested in the work being carried on there in the care of children who are victims of "Children's most crippling disease" and in the research being conducted in an attempt to find a preventive and cure for this as yet unconquered malady. They hold rummage and candy sales, a series of bridge parties, and a dance in order to raise money for this worthy cause. At the close of the club year each spring, they turn over the proceeds from these activities to the hospital. The tea on Thursday was given in acknowledgement of this service to the House of the Good Samaritan.

## SILVER AND DEPRESSION

The longer depression lasts, the more important the silver  
problem becomes.The depressed price of silver adversely influences employment  
and industrial activity in every country in the world. Those coun-  
tries which are on the silver standard of coinage have seen their  
purchasing power drop away to a fraction of its former level—leav-  
ing them with no money to buy in countries which have the gold  
standard. These latter countries thus lose the foreign trade which,  
a few years back, kept a multitude of factories going and provid-  
ed employment, in whole or in part, for millions of workers.Efforts are being made, on an international scale, to stabilize  
the price of silver and give it a proper relation to the value of  
gold. These efforts, if they succeed, will benefit the entire world—  
silver standard countries and gold standard countries alike. Because  
of that, they deserve the support of the officials and the general  
public of all nations.

## A REAL ISSUE

It is within the realm of possibility that the great issue in  
political campaigns of the future will be simply this: The growth  
of Federal bureaucracy with resulting encroachment on the rights  
and liberties of the people.This is a real issue which must eventually be decided. The  
ordinary citizen, both as a business man and as a member of organ-  
ized society, has seen America become more and more "Russianized."  
He begins to realize that unless the present trend is stopped, the  
inevitable consequence will be a political dictatorship. To use an  
old and melodramatic phrase, a day of reckoning must come.PAST COMMANDERS

Mr. Editor:

The Past Commanders Club of  
Medford Post 1012, Veterans of  
Foreign Wars of the U. S., in  
meeting duly assembled on Sat-  
urday, April 9th, voted unani-  
mously to commend your splen-  
did paper, the Medford Mercury,  
for the editorial which you car-  
ried in the edition of that date.This fine editorial certainly ex-  
pressed very forcibly the senti-  
ment of the veterans, organiza-  
tions of this City and the veter-  
ans at large, because there it  
waxed on the streets of our City  
in the guise of disabled veter-  
ans are not working in the inter-est of any organization, but, for  
their own benefit.The good people of Medford  
patronize these vendors believing  
they represent some veteran or-  
ganization which is not so, and  
then when a local veteran organ-  
ization conducts a Poppy Sale or a  
street campaign of any sort the  
people are fed up on these ven-  
dors and they may think that the  
local veterans are out for them-  
selves instead of working for the  
welfare of the real needy veter-  
ans of Medford.It is our belief that there  
should be some local ordinance  
preventing these itinerant ven-  
dors from selling flowers on the  
streets of Medford for their own  
personal gain, thereby protect-  
ing the local veterans organiza-

Tonight Daddy Sunshine is asking all the mem-  
bers of the club who enjoy the program to write a  
note to Station WLOE, Bellevue Hotel, Boston, ex-  
pressing their satisfaction with it. The broadcast is  
for you and he wants you to enjoy it. Tell him what  
you think of it and what features you like best. On  
you depends how long the club will keep on broad-  
casting. A note to the station will let him know, as  
well as the station officials, how the program is going  
over with the club members. So tonight, if possible,  
write to Station WLOE and tell him what you think.  
Suggest anything helpful which comes to your minds.  
He would also like to hear from the adults, just how  
they enjoy the program. When next Monday night  
arrives he will be looking for a great number of let-  
ters. The program is broadcast every Monday night  
at 7.30.

Daddy Sunshine  
Club Rules

1. Be kind and helpful to others.
2. Look both ways when crossing streets.
3. Always be kind to dumb animals.
4. Write a letter to Daddy Sunshine, or have Mother or Dad write it for you, every now and then.
5. Try to bring a "Ray" of Sunshine into the lives of your parents and others every day of the week and every week of the year.

These rules are not very difficult for good girls and boys to keep. Most of them are kept by them anyway.

Mail your letters and stories to Daddy Sunshine, in care of this paper. He will answer them in the Daddy Sunshine Column.

Write on but one side of the paper, and place your age and address on the letter after your name. Give the day, month and year of your birth.

To join the club all you have to do is promise to keep the rules—and keep them.

## Jackie Joins

Dear Daddy Sunshine:  
I would like to become a member of your club. I can sing and dance and would like you to give me a try out soon. I am 7 years old.

Yours sincerely,  
Jackie Dryden,  
135 Brookings street,  
Medford, Mass.

The club is only too glad to have you as a member Jackie. Daddy Sunshine knows you can dance and sing, and so does "Mal" and both of them feel certain the children of the club will enjoy your entertainment. They would like to have you take part in the show Saturday afternoon at the Medford theatre, and then possibly on the radio. Could you report back stage to "Mal" Saturday between 12.30 and 1 o'clock? You know the Sunshine matinee starts at 1.30. Hope to see you there.

A Cute Piece  
Dear Daddy Sunshine:  
A sensible cow, would a market go.

"Oh my dress doesn't matter," said she;  
So she traveled to town, in her everyday gown,  
And brought home some doughnuts and tea.

Natalie White.

Very cute little piece Natalie. Daddy Sunshine likes it. She was a sensible cow and no doubt makes a good example to little girls who may feel ashamed because they are not always dressed up. Everybody likes to dress up. It is only natural, but if we do not possess some of the elegant things of this life we should be satisfied until the time comes that we do. Even a plain dress, as long as it is neat, on a sweet little girl, is beautiful. It really, after all, is not the dress, but the girl inside. As long as she is sweet and wholesome, everybody can't help but love her.

From Genevieve  
Dear Daddy Sunshine:  
I listen to the club's program every Monday night over station WLOE at 7.30 o'clock. I go to the show most every Saturday and like it very much. Can my sister belong to your club? She is 7 years old. She wanted to see you the last time I came to your office, but I did not take her. I will the next time.

Much love from  
Genevieve Martin.

Happy indeed you like the program Genevieve. News from the members that they enjoy the broadcast is always good news to Daddy Sunshine, "Mal" and all the children who try to entertain the members. Don't forget your promise to bring your sister the next time. Daddy Sunshine will be glad to admit her and to see her.

## Enjoys Program

Dear Daddy Sunshine:  
I listen to your program every Monday night. It is very interesting. There is one little girl who sings very nice but I do not know her name. I also listen to the Big Brother club, which is something like your club. I see and like "Mal and His Pals" at

the Sunshine matinee every Saturday afternoon. I also like the cowboy and Indian serial.

Yours truly,  
Agnes Clair,  
21 Manning street,  
Medford, Mass.

Thanks Agnes for telling us how much you like the program. Letters like yours are always welcome and will find a place in the club column. The children try so hard to please, it is great to know that their efforts are appreciated.

In offering this new type of  
railroad freight service in the  
east, the Boston and Maine will  
pick-up and deliver less-than-car-  
load freight at the customer's  
doorway or platform. The rail-  
road's agent in each community  
will handle pick-up requests.  
Railroad standards of service and  
complete responsibility will ex-  
tend from place of pick-up to  
place of delivery. Service will  
be overnight between practically  
all of the communities selected  
to start it.

The cities and towns included  
in the start of the experiment are:  
Amesbury, Arlington, Athol,  
Belmont, Berlin, N. H., Beverly,  
Bridgford, Me., Boston, Cam-  
bridge, Chelsea, Chicopee, Clare-  
mont, N. H., Clinton, Concord, N.  
H., Danvers, Dover, N. H., East-  
hampton, Everett, Fitchburg, Hav-  
erhill, Holyoke, Keene, N. H., La-  
conia, N. H., Lawrence, Lowell,  
Lynn, Malden, Manchester, N.  
H., Medford, Medford, Melrose,  
Methuen, Nashua, N. H., New-  
buryport, North Adams, North-  
ampton, Peabody, Portland, Me.,  
Portsmouth, N. H., Revere,  
Rochester, N. H., Salem, Saugus,  
Somerville, Springfield, Spring-  
vale, Me., Stoneham, Wakefield,  
Winchester, Woburn and Wor-  
cester.

In announcing the new service,  
President French of the Boston  
and Maine made the following  
statement:

"The Boston and Maine Rail-  
road has decided to offer its pa-  
trons door-to-door pick-up and  
delivery freight service, combin-  
ing local trucks and the railroad.  
It will at first apply to less-than-  
carload freight, moving between  
larger stations on the Boston and  
Maine. The rates, in most cases  
including the door-to-door pick-  
up and delivery service, will not  
be higher than the present sta-  
tion-to-station freight rates.

"Most of the railroads in this  
country have been studying this  
form of service. Hundreds of  
shippers in New England have  
requested this service from our  
railroad. They have told us they  
are already receiving it through  
the medium of highway motor  
truck transportation. The Bos-  
ton and Maine Railroad will of-  
fer this new service during the  
next year, endeavoring to deter-  
mine whether such a combination  
rail-truck service is desired.

"The Boston and Maine Rail-  
road will offer this business to  
local truckmen in each commu-  
nity, who, they tell us, are at  
present suffering the same as the  
railroad is in attempting to meet  
competition of the out-of-town  
truckmen who are operating over  
the public highways into their  
community.

"We of the railroads have been  
attempting, in various ways to  
point out to shippers and receiv-  
ers of freight, and to the public  
in general, the fact that in New  
England, at least, there is today  
an uneconomic over-production  
of transportation. The public high-  
ways are congested with unregu-  
lated freight-carrying motor  
trucks, many of them, we are in-  
formed, operating at uneconomic  
rates, made possible because they  
are in part subsidized by using  
the public highway as their busi-  
ness right-of-way.

"A recent survey in the four  
New England states we serve,  
showed that expenditures for high-  
ways, streets, and motor vehicle  
departments in 1929 were double  
the amount of all revenues from  
motor vehicles in that year. Fig-  
ures show expenditures for high-  
ways, streets, and motor vehicle  
departments were \$93,782,191.  
Revenues from all kinds from motor  
vehicles in Massachusetts, Maine,  
New Hampshire and Vermont  
in that year, aggregated  
\$45,408,758. These collections  
included property tax, licenses,  
registration fees and gasoline  
taxes.

"This, we believe, proves very  
conclusively that if much of the  
freight traffic now being hauled  
long distances over the highway  
can be placed back on the rails,  
a burden on the public taxpayer  
will be greatly lessened. At the  
same time local communities will  
be aided by extensions of the busi-  
ness of their local truckmen."

## Where Hawks Escaped Death

A view of the overturned wreckage of the mystery speed plane in which Captain Frank Hawks, America's speediest flyer, narrowly escaped death when he crashed into a stone wall while taking off from the Worcester, Mass. airport. The noted flyer sustained a fracture of the lower jaw and nose and several face lacerations. The soggy condition of the runway is blamed for the accident.

## Girl Scouts Reunion Most Enjoyable

The Camp reunion was a huge success and made all those present wish that the camping season were even nearer at hand than it is! The following girls made up the Reunion committee—Mary Guido, chairman; Betty Adams, vice chairman; Amy Wild, entertainment; Kay Baker, decorations; assistants, Helen Michelson, Evelyn Nelson, Phyllis Nelson, Billie Parks and Betty Mitchell.

Helen Kelleher was song leader for the occasion. Camp colors, orange and green, were used in the decorations, and place cards, reminiscent of camp scenes were designed by Nathalie Brigham and Miss Ada Nunn.

Over 60 campers attended the reunion and almost every counselor for 1930 and 1931 was present. These included: Miss Ruth Howard, Miss Margaret Knap, Mrs. Rodney Whittemore, Miss Edna Keith, Miss Ada Nunn, Miss Esther Redman and Miss Laura Robinson. Guests of honor were Mrs. Charles Gott, commissioner; Mrs. Harry Mardon, chairman of the camp committee; and Mrs. Philip Lewis and Mrs. J. W. Brinton, members of the camp committee. Camp songs, toasts, and speeches added much to the gaiety of the occasion, and Helen Kelleher recalled many exciting moments to mind in her account of "Camp Memories."

Following the banquet, a most delicious meal served by Mrs. Grant, campfire was held, with all its fun, songs, and inspiration. A number of advertisements were dramatized and the prize for guessing the most went to Edith Goodell, Anne Graustein, Priscilla Barnard and Betty Mitchell, all of Troop 8, presented scenes from Tom Sawyer most effectively. Phyllis Nelson, Troop 6, gave a reading, Mrs. Rodney Whittemore, better known as "Akawi," read one of Kipling's "Just So Stories," much loved by campers.

Following the reading of "A Camper's If" by Evelyn Nelson, the reunion came to an end with the "Good Night Circle."

A Spring course in Scouting, open to anyone interested began at headquarters yesterday at 10 a. m. There will be an opportunity in the course to pass tests in Tenderfoot, 2nd class and 1st class work, as well as new games, troop methods and discussions. It is hoped that the weather will permit hikes and outdoor meetings. New members are welcome to this course at any time.

Lieut. Whittemore took charge of Troop 6's meeting in the absence of Miss Fennessey who attended the meeting for Camp committee members and directors at Cedar Hill on April 11 and 12, under the direction of Miss Edith Sinnott, regional camping director. Mrs. Philip Lewis and Mrs. J. W. Brinton also attended this course.

Girl Scouts will take part in the parade on April 19, forming at 8:45 on Winthrop street, just beyond Rural avenue. They will march behind the St. Joseph's Parish girls. Scouts marching should be in correct uniform, or middie and skirt, and should be in the charge of some officer from their troop.

At a meeting of the Finance committee, it was decided to designate April 29th and 30th as "Doughnut Days" under the leadership of Mrs. C. F. K. Bean. The proceeds of the sale will be donated to the general fund. Girl Scouts all over the city will take orders and the girl selling the most doughnuts will be rewarded with a week at camp this summer.

## Grid Contest With Beverly Is Postponed

Because of muddy grounds and poor weather the practice scrimmage between Medford High and Beverly, scheduled at Beverly yesterday afternoon, was postponed. Coach Hubba Collins received word to that effect from Coach Bodger Carroll yesterday noon. The scrimmage may be held this afternoon if the Beverly field is in better condition.

If the teams do not get together today the scrimmage will probably be definitely cancelled as Beverly winds up its spring training practice on Saturday afternoon, entertaining Dedham High in a regulation game.

Coach Collins will continue the practice through next week because it was a week late in getting started. It is possible that a scrimmage may be arranged with another team.

Brownlow and Jean Lawrence earned Community Service credits by assisting on the Visiting Nurse day work.

Troop 2—Mrs. Marshall Mower, captain. The members of the troop are planning a Food Sale to be held in Medford Square on Saturday, April 23. At the last meeting Ruth Coulson, Doris Wiley and Betsy Perry passed their Fire Building test.

Troop 3—Miss Clara Webster, captain. The girls are working on their play "Little Women" which is to be presented on Friday, May 13. The next troop meeting will be an Outdoor meeting.

Troop 4—Miss Geraldine Puffer, captain. The second class Scouts are working on the Signalling tests.

Troop 7—Miss Marjorie Bean, captain. Mrs. Harold Chipman was a visitor at the last troop meeting.

Troop 9—Miss Alice Crossley, captain. On April 28 the members of the troop are to have a party at which the younger girls will be dressed as grown-ups, and the older girls will be dressed as children. Every girl is requested to bring one penny for each year of her age.

Troop 10—Mrs. Reginald Hayes, captain. On April 20 the troop members are planning a hike at Cedar Hill. The girls are making plans to sell fresh eggs to raise money to enable members to go to camp. The Scouts are working on their first and second class work.

Troop 11—Miss Clara McKenna, captain. Clair Gibbons was invested as a Tenderfoot Scout at the last meeting. The girls are working on their second class tests.

Troop 12—Miss Mary Doherty, captain. The girls enjoyed a Nature hike at the last troop meeting.

Troop 13—Mrs. Horace Morse, captain. Mrs. Littlefield, a member of the Field Committee, was a visitor at the regular troop meeting last Friday. The girls are working on their baby layette. Barbara Baker is planning a hike for the regular meeting day.

Troop 14, Mrs. Percy Belyea, captain has three newly invested tenderfoots—Barbara Rollins, Betty Snopcey and Natalie Atkinson. The troop had a time hike through the Lawrence woods on April 2nd and is planning many more.

Troop Notes

Troop 1—Mrs. F. W. Pote captain. At the last regular troop meeting Lieutenants Pote and Walking devoted the time to Nature study. Miss Fennessey was a visitor and she told the girls about the plans for Doughnut Days. On Friday afternoon the troop, with members of Troop 14 as guests, listened to a most interesting lecture and enjoyed a movie on Nature, depicting flowers, birds, forests, fish and animals.

## Castle Mystic Gives Play At Grace Church

In presenting Robert Emmet Sherwood's three-act comedy, "The Queen's Husband," Castle Mystic, Knights of King Arthur, attempted one of the most difficult bits of dramatic work of their career, but, finding from its enthusiastic reception last evening, at Grace church Parish House, this production bids fair to be one of their most successful.

The play was preceded by a delightful half hour's program, consisting of a group of favorite songs, by Robert Silver, Charles Christensen, Stanley Hampton, Richard Hunkins, Arthur Scott and Richard Keene, under the able direction of Miss Anne Everett, organist and choir mistress of Grace church; a recitation, "A Newsboy in the Cathedral," by Leonard Mampton; several vocal selections charmingly rendered by Mrs. Paul Bennett, accompanied by Mr. Bennett. The various numbers were announced by Walter Hamilton in the costume of a Herald of the middle ages.

The background of the play is a mythical kingdom situated on an island somewhere in the North Sea.

The story shows how King Eric 8th seemingly the ineffectual Prince Otto, type of monarch, becomes when occasion demands a real king.

The part of King Eric was admirably taken by Arthur Schilling. His portrayal of the king's submissiveness under the browbeating of his wife, Queen Martha, was extremely clever. The Queen, who ruled king and kingdom with an iron hand, was exceedingly well played by Miss Barbara Littlefield.

The charming Princess Anne who insists on being "a person, not just royalty, forever," was Miss Marjorie Whitney. As always, with Miss Whitney, her characterization was excellent and her personality and voice delightful. Emil Schlesinger, Jr., as the suave diplomat, Lord Birten,

## Medford Welfare Club Meets Tonight

There will be a regular meeting of the Medford Welfare club at 8 o'clock, this evening. Matters of importance will come up for discussion and transaction.

and Joseph Nevins, the arrogant General Northrup, were played in a very realistic manner. Ernest Glynn, the radical leader, made a moving and dramatic appeal to the king to come out of his quiet detached life in the palace and see what conditions existed at the very gates. Clifton Ruck as the butler, Phipps, who plays checkers with King Eric when the Queen is away, John Wagner, the fighting anarchist and Gustav Carlson, the biased Prince William, were all very well played. Major Blent, the loyal Captain of the Palace Guard was played by James Brown and, although the role was a comparatively small one, he did an excellent piece of characterization in it.

The candy committee consists of Mrs. A. A. Littlefield, chairman, Mrs. Henry Collins, Mrs. John Crawford, Mrs. William Wells, Mrs. Richard Tagdell, Mrs. H. A. Morrissey. The boys selling candy are Kenneth Hiron and Richard Zim. The business management is Ardelie Littlefield and Joseph Nevins. The chairman of the dance committee is Gordon Stewart. The head usher is Donald Smith assisted by Frederick Le Bert.

The staging committee is Anton Tibbets, electrician, assisted by Norman Drane, Jerome Nevins and Herbert Stevens. The play is directed by Mr. and Mrs. H. A. Morrissey.

It will be repeated Thursday evening and will be followed by dancing.
